

**CORPORATION OF THE MUNICIPALITY OF CHATHAM-KENT
CERTIFICATE OF RECOGNITION**

FEATURE INDUSTRY

Enviroshake

WHEREAS the Mayor and Council of the Municipality of Chatham-Kent recognize the contribution that corporate citizens have made and are making to enhance the economic health of this community;

Enviroshake, located at 650 Riverview Drive, Unit #5 in Chatham, began operations in Guelph in 1998. The company moved its manufacturing facility to the community of Chatham in 2002. The current facility is approximately 30,000 square feet.

Enviroshake currently employ 26 people operating on four shifts. The company believe that great people produce great results. The company strives to continue improving lives through innovative advancements in construction materials.

Enviroshake manufacture eco-friendly synthetic roofing and siding products that accurately replicate the desired look of cedar or slate roof shingles, while offering superior durability, performance and the maintenance free features. The company are ISO certified and received the 2001 Canadian Innovation Award.

The company was recently acquired by Headwaters Inc., headquartered in South Jordan, Utah, U.S.A. The company has expansion plans to double their current capacity at the Chatham facility by adding new production lines. The expansion will generate additional productivity and create an additional 12-15 new full time jobs.

Enviroshake has a commitment to make Chatham-Kent a better place to live, and have been active participants in the United Way and Salvation Army campaigns.

PROCLAIMED at Chatham-Kent, Ontario this 26th day of May 2016.

Randy R. Hope
