To celebrate and encourage community pride for the ACTIONS taken by others, *Feature Act*, is a quality of life recognition program was created to say *thanks for Building a Better Chatham-Kent*.

Feature Act recognition ceremonies are embedded within the CK Community Forums which are televised shows produced a few times per year. These shows are hosted in front of CK Council where groups and the people behind the 'Act' are thanked for helping make Chatham-Kent a great place to live, learn, work and play. A permanent display is installed at the Civic Centre at 315 King St. W., Chatham, outside the Mayor's office to recognize the ACTIONS taken.

What ACTIONS are eligible for recognition?

- Protect/preserve CK's historical and cultural heritage
- Support economic prosperity
- Encourage and inspire long-term change in moving the progress of community towards a better quality of life for all

MOST IMPORTANT: The ACTION or initiative has no financial gain to self/group/business and is not discriminative or exclusionary. ACTIONS must be community lead.
