

Chatham-Kent Chamber of Commerce Announces 138th Business Excellence Award Nominees

Chatham-Kent, ON – The Chatham-Kent Chamber of Commerce is proud to announce the nominees for the 138th Annual Business Excellence Awards, celebrating the outstanding businesses, organizations, and individuals who help make Chatham-Kent a vibrant place to live, work, and grow.

This year's nominee list reflects the strength, diversity, and energy of the local business community. From wellness and hospitality to advanced manufacturing, agriculture, tourism, retail, real estate, community service, and entrepreneurship, these nominees represent the people and organizations creating opportunity, serving others, and inspiring the next generation across Chatham-Kent.

“Business excellence takes many forms, and this year's nominees showcase the remarkable talent, resilience, and leadership found throughout our community,” said Rory Ring, President and CEO of the Chatham-Kent Chamber of Commerce. “These nominees are building businesses, supporting families, strengthening neighbourhoods, and setting an example for the next generation of entrepreneurs and leaders.”

Residents are encouraged to look up the nominees, learn more about their businesses and organizations, follow their stories, and support them whenever possible. Whether it is booking a service, visiting a storefront, attending an attraction, sharing a social media post, or recommending a nominee to others, every show of support helps celebrate the people and enterprises moving Chatham-Kent forward.

The 138th Annual Business Excellence Awards will bring the community together for an evening dedicated to recognizing achievement, celebrating local success, and shining a spotlight on those

helping shape the future of Chatham-Kent. Guests are invited to attend the event and help celebrate the nominees whose hard work, vision, and community spirit are inspiring the next generation.
