salons, point of sale  
solutions for both sides of  
the counter.

## Station Duo

Introducing the latest product from Clover, **Station Duo**.

A powerful, customizable point of sale and business  
management system designed to be the centre of your  
business and engage your customers.

### The NEW Station Duo includes:

- Dedicated 7" customer-facing display for improved order accuracy, customer engagement, loyalty program facilitation, and more.
- High resolution 14" merchant-facing screen that's fixed in place.
- Machine Station Printer hardwired to single hub.
- One power supply with IP address.
- Customer display is durable and thoughtful, built with strengthened glass which includes anti-fingerprint and anti-microbial coating.
- Fully integrated EMV/NFC payment acceptance and integrated fingerprint login for up to 50 employees.
- Includes native 4G/LTE connectivity for additional reliability.
- State of the art processor for increased transaction and app speeds.
- Compatibility with multiple peripherals sold by Clover and/or third parties.
- Integrates (sync) to Quickbooks/Shopify/Woocommerce.
